D

ear Friends:

Today, as we enter the 21st Century, technology offers us an incredible array of tools for retrieving and sharing information. While the Information Age has done much to relieve the historical isolation of many of Montana's rural communities and schools, it has made access to information more essential than ever for getting business done. This is especially true for the business of educating children.

The Office of Public Instruction creates and distributes this directory to help link Montana's schools and facilitate communication among Montana's educators. In it you will find the names, addresses, phone and fax numbers of OPI staff, along with schools and educational associations across Montana. We have also included all of the available E-mail addresses of school superintendents, clerks, principals and board chairs.

I hope you will find this directory useful as you work with your colleagues and other providers of educational services to prepare your students – and yourselves – to enter the 21st Century.

Have a productive, fun-filled year!

Nancy Keenan

STATE BOARD GOVERNANCE

Structure

The Board of Public Education, exercising general supervisory responsibility and in most cases acting on the recommendations of the Superintendent of Public Instruction, has a number of duties prescribed by law concerning the elementary and secondary schools of the state (e.g., accreditation and teacher certification). The control and supervision of the School for the Deaf and Blind is vested in the Board of Public Education.

The Board of Regents is vested with full power, responsibility and authority to supervise, coordinate, manage and control the Montana University System and also to supervise and coordinate community college and vocational-technical centers.

The members of the Board of Public Education and the Board of Regents, meeting together, form the State Board of Education which has responsibility for submitting unified budget requests for long-range planning and for coordination and evaluation of policies and programs for the state's educational systems. The Governor serves as president and the Superintendent of Public Instruction serves as secretary of the State Board of Education.

Membership

The Board of Public Education and the Board of Regents each have seven voting members appointed by the Governor with the consent of the Senate. Neither board may have more than four voting members from the same congressional district nor from the same political party or organization. The term of office for appointed members is seven years, except for the student appointee to the Regents whose term varies. The Board of Public Education also has a non-voting student member who has a one-year term.

The Governor, Superintendent of Public Instruction and Commissioner of Higher Education serve as ex officio, non-voting members on both boards.

BOARD OF PUBLIC EDUCATION

Governor Marc Racicot	ex officio
Superintendent of Public Instruction Nancy Keenan	ex officio
Commissioner of Higher Education Dr. Richard Crofts	ex officio
Barbara Keim, 3209 Turnberry Cir., Billings 59101	Term expires Feb. 1, 2000
